

Cooks Illustrated, No-Knead Bread 2.0, Revisited

If you have iTunes, you can [view a video](#) by *Cook's Illustrated* about the making of, and the science behind, their No-Knead Bread 2.0 technique for free. And someone over on the R.U. Serious? blog seems to be less concerned with copyrights than I am, and they've published the [full recipe](#), helpful graphics and all.
