

# Mysterious Food on the Internets

[Daily Lunch](#) is a japanese site detailing one obsessive artist's lunch box, and their artistic creative presentations.

[How frozen pizzas are made.](#) [What's in a twinkie?](#)

(Amazing. Twinkies have been around for 78 years! They've been around as long as the Chrysler Building, in New York, and Betty Boop. [Here are more events from 1930.](#))
